

# UNITED REPUBLIC OF TANZANIA

## TANZANIA ELECTRIC SUPPLY COMPANY LIMITED

### GENERAL PROCUREMENT NOTICE

Name of Borrower/Recipient's Country: **UNITED REPUBLIC OF TANZANIA**

Name of Project: **KAKONO HYDROPOWER PROJECT**

### GENERAL PROCUREMENT NOTICE

1. The Government of the United Republic of Tanzania has received a loan from the African Development Bank (the “Bank”) and French Development Agency; and a grant from European Union Delegation to finance the Kakono Hydropower Project, herein referred to as the “Project.”
2. The principal objective of the Project is “to increase on-grid energy production from least-cost renewables to address the electricity deficits in north-western Tanzania.”
3. The Project includes the following main components: -
  - A. Construction of Kakono hydropower plant estimated at 87.8 MW,
  - B. Construction of power evacuation facilities,
  - C. Project administration and management,
  - D. Implementation of the Environmental and Social Management and Monitoring Plan.
4. The procurement of goods, works and services, financed by the Bank, will be carried out in accordance with the Bank’s “*Procurement Policy for Bank Group Funded Operations*” dated October 2015 in line with the provisions stated in the loan agreement. The Specific Procurement Notice in relation to the “Consultancy services for construction supervision and management of the 87.8 MW Kakono Hydropower Project in Kagera Region” was published on 24<sup>th</sup> April, 2023. Other Specific Procurement Notices are expected to be available on February, 2024.
5. Interested bidders may obtain further information, and should confirm their interest, by contacting: -
